INQUIRY INTO ROAD TOLLING REGIMES

Name: Mrs Karen Williams

Date Received: 4 July 2021

To whom it may concern

The tolls are affecting my family on a daily basis .

As a small business owner who goes to the wharf several times a day out tolls are costing us anywhere from \$700 to \$1200 a week . We virtually work for nothing one whole day to pay for tolls .

Something needs to be done ASAP. People can't survive at this rate .
