

INQUIRY INTO ROAD TOLLING REGIMES

I live in Wattle Grove which is very close to the M5. I have used the M5 on a very regular basis for the past 28 years. My daughter and grandchildren live at Randwick. I drive on the same part of the M5 east to visit which in the past at times at least weekly. Now the tolls on the M5 east (which are not claimable unlike M5) make the trip very expensive. The extra \$15 each trip means that on my retirement pension it is prohibitive. My family in Randwick is equally effected. Please reconsider this onerous imposition of expensive toll on a road that hasn't changed in 28 years. I am retired but I can't imagine the financial burden on those needing to travel to attend work.
