

INQUIRY INTO ROAD TOLLING REGIMES

The tolls roads around Sydney have become one of the most crippling costs to my business. In November last year alone I paid \$670 to transurban. Visiting my parents costs \$20 in tolls. During the bushfire season of 2019-2020 I would travel up to the blue mountains to help my mother maintain her property and provide assistance in the event of a fire starting nearby. The cost of tolls and fuel meant that at one point I had to tell my mother that I could not afford to travel to her house to help out.
