INQUIRY INTO ROAD TOLLING REGIMES

Name: Mr Saravanan Ramiah

Date Received: 4 July 2021

I have been commuting to and from work from

Middleton grange for over 8 years and have paid 1000s of \$ so far . The new m5 and m8 tolls are hurting us further especially during COVID pandemic .

We are hard working , tax payers - so kindly consider giving people like us full toll relief to use M7,M5, and M8 .
