This was supposed to be our forever home. I never asked for an airport. I have happily lived here paying my council rates and never complaining about the lack of infrastructure. I can't catch a bus to work - there are no buses, I can't walk along a footpath, there are no footpaths, we have had multiple vehicle tyre blowouts which I have had to pay to repair with my own money to fix because the roads are full of potholes AND now I need to pay for infrastructure that won't benefit me. As it stands I will not be able to afford to replace what I have as the price of housing is ridiculous. Tax the Developers who plan to make multi millions of dollars - not the mums and dads who just wanted a semi rural lifestyle and a simple roof over our heads.
