INQUIRY INTO REVIEW OF THE HERITAGE ACT 1977

Name: Brett Simpson

Date Received: 4 July 2021

I would like for the State Government of NSW to not destroy the heritage of our city. The Willow Grove at Phillip street forms part of that heritage. Please do NOT move it or destroy it.

The state government have already destroyed buildings in Parramatta that I can no longer take my children to.

I am all for progression but leave WILLOW GROVE alone. Keep some of OUR Heritage in place for our future
