The tolls are ridiculously expensive now with more increases on the way.
I started a linkT account to pay for the tolls and avoid the handling fee they
Put on it if you don't have a account only for the tolls to not go on the tag account
And still rack up the handling fees.
As a result I can not use tolls as it is too expensive and I have accumulated
A excessive amount of debt because I can not afford to pay for the tolls
Because of the fees on top.
