## **INQUIRY INTO ROAD TOLLING REGIMES**

**Name:** Jay Patel  
**Date Received:** 5 July 2021

---

I use M7 & M2 to go to North Ryde from BUNGARRIBEE.

It cost around \$12 one way. It's too much. How some one can afford to pay \$24 for return trip?

Toll charges must be reduced or Toll should be charged based on number of KM travelled & Toll charges should be lot lower if some one travelled during off-peak timing.
