## **INQUIRY INTO ROAD TOLLING REGIMES**

I think it's an absolute joke to be charging us such ridiculous prices to travel \$6 for 7km on the M4 from Homebush to Parramatta and basically force us to use it as Parramatta road is an absolute joke of an alternative now due to the increased commuter traffic making it a 1 hour wait in traffic. Also I'm fed up of the government having more tolls on old roads that were free for many years. It's time for this incompetence to stop.
