## **INQUIRY INTO ROAD TOLLING REGIMES**

**Name:** Mr Mark Konemann

**Date Received:** 6 July 2021

---

The tolls are frustrating drivers with excessive costs

And numerous tolling points .

It's not a fair system .

The tolls ways are in need of cleaning ,

They need to made more attractive by arts , colour and more lighting

For night travel .

Fees should be minimal to encourage usage but current fees

Dis Courage and often the fees paid do not match a service provided

Because it often does not become a toll way rather a slow crawl way.

Tolls roads really should be free and covered by the way of the vehicle registration

System
