## **INQUIRY INTO ROAD TOLLING REGIMES**

**Name:** Mr Guy Franklin

**Date Received:** 6 July 2021

---

Struggling , \$330 a month in tolls, small wage earner.

Would take 2 hours for me to get home if I didn't use the toll roads.

Pressure with 3 days to pay,

hard to have the account always topped up and the pressure from Linkt , constant emails, notifications. Pressuring for a top up.

Highway robbery not only that so inconsiderate.

Beyond belief, no where else in the world is so ludicrously greedy, free country? Yeah right sold us out
