INQUIRY INTO ROAD TOLLING REGIMES

Name: Mrs Suzanne Knowles

Date Received: 7 July 2021

As an elderly person at 78 and needing to stay in touch with my 97 year old stepmother I am regularly paying tolls of about \$50 each time I visit her. Using the M7, M2, each way to St Ives from North Richmond. This takes about 1 hour each way but would double to 2 hours if I avoided Toll Roads and is not practical.
