The water corruption in this country is disgusting as shown by  
(<https://irnsw.files.wordpress.com/2021/02/21022-fph-final-report.pdf>) and  
([https://www.youtube.com/watch?v=glgCA9WmqkI&ab\\_channel=friendlyjordies](https://www.youtube.com/watch?v=glgCA9WmqkI&ab_channel=friendlyjordies)), I believe it  
should shut down.
