

**Submission  
No 124**

## **INQUIRY INTO FLOODPLAIN HARVESTING**

**Name:** Mr Shiva Reddy

**Date Received:** 13 July 2021

---

Hello NSW Government

This is not right!

Blood Water: the war for Australia's water - Friendly Jordies  
<https://www.youtube.com/watch?v=glgCA9WmqkI>

Everyone with a conscience knows that this is wrong. How can Australian Federal & State Govts not only allow this to happen to the Murray Darling Basin, but endorse practices that make it happen. This is criminal!

Please make it stop immediately!

Please take immediate action to restore waterflows to the southern Murray Darling River & Basin.
