**INQUIRY INTO GRANTING OF CONTRACT NUMBER
OoS17/18-021 BY THE OFFICE OF SPORT**

Name: Miss Colleen Brook

Date Received: 25 August 2021

I am a showjumping competitor and coach and attend SIEC regularly.

I was very pleased to see the upgrades on the surfaces to the indoor arena and others.

SIEC is a World class facility and needs to have great footing. Any type of surface needs upgrading, replacing and constant maintenance which SIEC staff

manage well. The staff always are very helpful at competitions with the grading of the arenas.

The Equestrian community needs SIEC

As far as the acquisition of the footing or granting of contracts only the committee of NSW at the time would have been involved.

sincerely Colleen Brook
