Dear Chair

## **Submission**

### **Inquiry into the Public Interest Disclosures Bill 2021**

Thank you for the opportunity to provide a submission to the enquiry into the Public Interest Disclosures Bill 2021 (the Bill).

As a member of the Public Interest Disclosures Steering Committee, I am supportive of the Bill passing in its current form. I believe the Bill will help ensure reports of wrongdoing are acted on appropriately and that reporters will be supported when they make reports of wrongdoing.

Yours sincerely

Margaret Crawford

Auditor-General for NSW
