**INQUIRY INTO 2021 INQUIRY INTO THE APPROVED
CHARITABLE ORGANISATIONS UNDER THE
PREVENTION OF CRUELTY TO ANIMALS ACT 1979**

Date Received: 29 November 2021

To members who fathered enquiry,

First may we say that it doesn't matter how rich intelligent powerful or talented you are the way you treat animals tells me all I need to know about you. I ask you to consider that when money is more powerful than compassion our humanity is diminished. As a society we are the highest predators and we ought to carry that responsibility of care. Unless those who do harm are dealt with appropriately.. as society requires.. we cannot call ourselves civilised. Too often horrendous actions visited upon the voiceless are allowable and in some cases even celebrated (as in horse racing). We MUST be better than that. PLEASE make the world a better place by making animal cruelty a serious crime!!!
