**INQUIRY INTO GREATER SYDNEY PARKLANDS TRUST
BILL 2021**

Name: Ms Patricia Corbitt

Date Received: 13 December 2021

Good Morning,

We need more parks and open spaces for parents & children to enjoy - the elderly to relax in and for our wildlife to flourish.

Paramount is the need to combat climate change, air pollution, and more trees & shrubbery to provide habitat & a food source for our precious wildlife.

This is the gift we leave to future generations. We must not allow our children to be robbed of these treasures.

AGAIN we need more parks not fewer.

Yours faithfully

Patricia Corbitt
