

**INQUIRY INTO GREATER SYDNEY PARKLANDS TRUST  
BILL 2021**

**Name:** Name suppressed  
**Date Received:** 15 December 2021

---

Partially  
Confidential

I oppose the proposed Greater Sydney Parklands Trust Bill in its entirety.

The Bill contains too many dangers to each of the parks by:

proposing privatisation and commercialisation by stealth

absolute overuse of ministerial powers

lack of any real local say

weak ecological objectives

and excessive centralisation

The proposed Greater Sydney Parklands Trust Bill is overkill and also completely unnecessary.

I support a Callan Park & Broughton Hall Trust involving strong local representation as regards management of Callan Park.
