**INQUIRY INTO GREATER SYDNEY PARKLANDS TRUST
BILL 2021**

Organisation: Birding NSW inc.

Date Received: 1 January 2022

Dear Premier and Ministers, RE: Rejection of the Greater Sydney Parklands Bill.

We wrote on 25 October 2021 asking the Government to Reject the Greater Sydney Parklands Bill in its entirety.

We stand by our objection on the grounds that further loss of trees, scrub, grasses, flora and fauna will put the Sydney basin in a critical state of severe climate change which will never be restored to normal. Heat, lack of precipitation and further worsening of our loss of wildlife will affect residents and tourist visitors.

Sincerely

Ian Bailey Office of Conservation, Birding NSW inc.
