**INQUIRY INTO GREATER SYDNEY PARKLANDS TRUST
BILL 2021**

Name: Mrs Karin Viles
Date Received: 23 December 2021

Callan Park is the most wonderful public space. Such a welcome thing in our densely populated Inner City. Magnificent trees and sanctuary for wildlife. To privatise this would be an injustice to all who use it. As more and more green areas are felled our air quality worsens. We now have so many new roads and more traffic coming through our area we need every bit of green space we can get.

Please, please leave Callan Park as it is.
