**INQUIRY INTO GREATER SYDNEY PARKLANDS TRUST
BILL 2021**

In recent months dogs have been prohibited from large parts of Moore Park East. With the makeover of Moore Park East likely to result in another cricket oval replacing the grass car park I'm worried that dogs will be prevented from using yet another space in the park. Dogs desperately need a dedicated dog park in Moore Park East where they can be safely let off-leash. This would also prevent them from harming wildlife and damaging sporting fields. It would also have the added benefit of acting as a central place for dogs and dog-owners to gather and socialise. I'd like you to support a dedicated dog park for Moore Park East.
