**INQUIRY INTO GREATER SYDNEY PARKLANDS TRUST  
BILL 2021**

**Name:** Mrs Jill Stephenson

**Date Received:** 27 December 2021

Greater Sydney Parklands Trust Bill is of great concern. Whilst monies are needed for works, selling off or extended leases do not encourage greater availability and openness of our precious parklands which under no circumstances should be reduced. The pandemic has emphasized the absolute necessity of preserving ALL our existing green space and parkland. I work as a bush regenerator, I use the parks, my grandchildren love exploring. We would be bereft at any destruction. Green space can not be re created once it has been built over. The population is growing and the need every increasing for outdoor space for our communities. Please make sure this Bill is fit for purpose with regard to the needs and amenity of communitie
