

**INQUIRY INTO GREATER SYDNEY PARKLANDS TRUST
BILL 2021**

Name: Name suppressed

Date Received: 12 January 2022

Partially
Confidential

I recommend that the Greater Sydney Parklands Trust Bill should be ditched as it will never be able to represent local interests properly, and that the Callan Park Trust Bill should be fully enacted, so that Callan Park is then managed by a dedicated Trust, which needs to be formed and empowered forthwith.
