**INQUIRY INTO GREATER SYDNEY PARKLANDS TRUST
BILL 2021**

Name: Ms Peta Moore
Date Received: 11 January 2022

I am making a submission to the Committee to raise my concern regarding the creation of a committee to oversee the running of all the great parklands in Sydney. These parklands are in a range of locations with unique local requirements and uses. I am also concerned about the makeup of this committee with the potential that members who could be driven by the commercial potential of these glorious public parks.

I feel that the most appropriate approach for the parks management is:

- Individual trusts to oversee the development and management of each of the parks.
- The individual trusts could work with an overarching committee to liaise and share information.
- The trust committees must be made up of individuals from a range of backgrounds and interests.

Thank you for accepting my submission.

Peta Moore
