

**INQUIRY INTO GREATER SYDNEY PARKLANDS TRUST
BILL 2021**

Name: Name suppressed

Date Received: 16 January 2022

Partially
Confidential

Callan Park is historic and beautiful, it should not be "developed" as such to infringe on it's natural and man-made historical buildings. We need as much green space as we can keep for the environment in all its aspects. This has been proven time and time again. Greed it the only reason destroying such parklands occurs.
