**INQUIRY INTO GREATER SYDNEY PARKLANDS TRUST
BILL 2021**

Name: Name suppressed

Date Received: 15 January 2022

Partially
Confidential

I believe that Callan Park is a very special park with a long history involving the mental health and wellbeing of the surrounding area and community. It was dedicated to the local community for enjoyment and relaxation . Centralising Callan Park into The Greater Sydney Parklands opens up centralised control by Government and potential for privatisation. I definitely do not agree with this and believe it should remain as it is in its own right separate from other parks and interference.
