**INQUIRY INTO GREATER SYDNEY PARKLANDS TRUST
BILL 2021**

I don't know how much you are going to listen to what the community say to be honest. Where's the 'privatise Callan Park for profit' community group? I recon it'd be better if you guys could support the community to make better use of some of the more dilapidated parts of the park. There is so much potential to do some good for folk there. How about a native plant/community garden/compost project?
