

**INQUIRY INTO GREATER SYDNEY PARKLANDS TRUST  
BILL 2021**

**Name:** Name suppressed

**Date Received:** 14 January 2022

---

Partially  
Confidential

It is essential that Callan Park remain completely in public hands.

After many years of fighting development it would be a travesty to have the newly appreciated park (Incredible increase in recreational use during Covid) to be compromised in any way. I do not have access to the proposed legislation but would be willing to examine it in detail if this would assist.
