**INQUIRY INTO COMMENCEMENT OF THE FISHERIES
MANAGEMENT AMENDMENT ACT 2009**

Name: Mr Steven Holmes

Date Received: 4 February 2022

I have been prosecuted for fishing on my own waters. Once while fishing a fishing inspector made me release my catch because I was meant to of been fishing in a marine Park. I have been fined for collecting seafood for family.n

AA21 needs to be implemented so us Aboriginal people on the South Coast stop being fined..
