INQUIRY INTO ANIMAL WELFARE POLICY IN NEW SOUTH WALES

Name: Mrs Judith Walter

Date Received: 28 January 2022

The cat management plan that council and the state government agreed to underneath sections 62 (1), 6.4.2a and 6.4.4 and 6.4.5 for helping and controlling cats which council refuses to accept or help in anyway eg Camden Councils Web page states that they do not accept stray or feral cats or loss cats which goes against the cat management plan, this is why we need to have TNR for stray colony cats and council to accept friendly stray cats to rehome.
