INQUIRY INTO PUPPY FARMING IN NEW SOUTH WALES

Name: Miss Candice Tomlin

Date Received: 9 February 2022

"There is no limit on the number of female dogs any breeder can have, no limit on the number of litters any dog can be forced to endure, and no mandatory vet checks or staffing ratios to ensure animals are given proper care.

This means someone can set up an intensive dog farm with 800 dogs and force them to pump out litter after litter for their entire lives until they die. The facility could have one person assigned to care for all the animals – and this would be perfectly legal." - Emma Hurst MLC

This is a disgrace and absolute violation to the protection of animals we as people wish to endorse. This is the worst loop hole to legal animal cruelty to exist! Things need to change! These rules deserve to be abolished!
