INQUIRY INTO PUPPY FARMING IN NEW SOUTH WALES

Name: Ms Diane Kastel

Date Received: 9 February 2022

We want to see the, intensive, factory farming of dogs made ILLEGAL! We are, strongly, We are telling the Government what you want by making this submission to the Parliamentary Inquiry:

To be honest, our family is furious - in an attempt to avoid passing legislation to protect dogs, and, puppies, other, political, parties have pushed this issue into an inquiry!

At the moment, in NSW, there is NO limit on the number of, female, dogs any breeder can have, NO limit on the number of litters any, dog can be forced to endure, and, NO mandatory, vet checks, or, staffing, ratios to ensure animals are given, proper, care!

This means someone can set up an, intensive, dog farm, with 800 dogs, and force them to pump out litter after litter for their entire, lives until they die! The facility could have one person assigned to care for, all, of the animals – and, this would be, perfectly, legal!

Our family is campaigning to end puppy farming!
