Hi,

Marsden Park High school construction is not started. Population in Marsden Park is growing exponentially. There are lot of kids traveling far from the estate for High School. Northbourne Drive Public school (primary school) is already crowded. That indicates that lots of kids are due to go to high school in the next couple of years. So not sure why there is so much delay in High School start-up? I will appreciate if High School in Marsden Park can be start earliest possible.
