Dear Members of the Inquiry,

Thank you for the opportunity to make a submission to the inquiry planning and delivery of school infrastructure in New South Wales.

I am a parent living in Marsden Park and my child(ren) is currently attending Marsden Park Public School.

We aa parents are very concerned because my eldest will be completing year 6 end of 2022. We have no suitable local high school. The promised New Park High school has not commenced and we cannot afford private high schools that are nearby.

Thanks
