**INQUIRY INTO PLANNING AND DELIVERY OF SCHOOL
INFRASTRUCTURE IN NEW SOUTH WALES**

Name: Ms Donna Zammit

Date Received: 10 February 2022

I don't think there is anything wrong with the demountables at Ropes Crossing Public School. My son went to the school from Kindergarten to year 6 & he said that my are good. They have proper learning space, a store room, a sink area for cleaning up after painting. They have a electric white board & the classrooms are air conditioned. There is covered walkways so children don't get wet in the rain. Some of the demountables for younger children also have a separate toilet block. I found the school to be a really good school.
