**INQUIRY INTO PLANNING AND DELIVERY OF SCHOOL
INFRASTRUCTURE IN NEW SOUTH WALES**

I have purchased a block of land in the new Gillieston Heights development which is due to be registered within the next few years which will mean that approximately 100 -150 new families will be moving to the area. From what I read and hear the local public school is in need of some very urgent and extensive work and expansion to cater for the influx of new families which will be moving to the area. Our children are our future and they deserve the best.
