Washroom facilities at concord high school. The doors are locked and it becomes difficult for girls with periodic cycles to access when they are really rushing. check bags of male student for carrying not allowed items in their bag everyday at school gate before allowing to enter school. As school says doors kept locked as some boys are smoking.

Also the bus timings are weird all public transport buses ply before and during school departure timing. What is the point of buses going empty when a slight change of 3-4 minutes after school departure at 255 pm will pack the buses and kids will reach home on time instead of struggling till 315 pm bus roughly.
