**INQUIRY INTO ANIMAL WELFARE POLICY IN NEW
SOUTH WALES**

Name: Name suppressed

Date Received: 12 February 2022

Partially
Confidential

I support registered breeders of pedigree animals. In my experience- these people have great standards, they are concerned with the quality and longevity of their breeds, and they check potential owners to ensure the well-being of the animal. Allowing cross breed/backyard breeders opens the door for genetic issues, including behavioral problems that are not tracked- that leads to animal dumping, injuries and other negative consequences for animals and owners. Please support registered breeders of pedigree animals.
