SOUTH WALES**

May I ask as a animal owner for over 50 years why this Bill has not already been passed REFUSING puppy farms here in NSW?? Perhaps one or more of your family members and friends own one or more??? have you ever seen the conditions these poor animals are subject to because someone wants a design pet? go to the pounds and rescue groups plus look on our streets because we just discard once had enough or now renters not allowed to have pets!!!!!! we seriously need to look at how to resolve current situations without added more and more animals to the mix and unbelievable prices!! try anything from 2000.00 to 8000.00 for one. Enough is enough, just do the job we pay you to do from our taxes and stop this!
