INQUIRY INTO PRIVATISATION OF BUS SERVICES

Name: Ms Viki Altas
Date Received: 31 March 2022

I believe that public transport services should remain
In the hands of the people & it's government. I live in
Randwick NSW & the following services have been cut
400, 314, 316 & 317. This has impacted on commute times
& has effected the elderly as the current service 390x
Fails to make all stops which means that the elderly
Need to walk further. Also the 390x is regularly late only
To have two buses arrive at the same time after a twenty
Minute wait. This is unacceptable considering that we pay
Our fares & all our taxes
