INQUIRY INTO PRIVATISATION OF BUS SERVICES

Name: Mrs Catherine Hawkins

Date Received: 31 March 2022

The changes to our local buses have impacted the elderly community in my suburb of Mascot significantly. Many residents in this suburb no longer drive and have mobility issues. We now have to catch 2 buses instead of 1 to our main shopping centre of Eastgardens which is a great inconvenience and we cannot understand why the 301 route has been discontinued as it was a frequently used service.
