INQUIRY INTO PRIVATISATION OF BUS SERVICES

Name: Mr Aidan Gibson

Date Received: 27 March 2022

Hello there!

I would just like to say the updated transport from Randwick council is terrible. Living in coogee for over 5 years now I would always speak highly of the public Transport! But since the recent bus cuts it's terrible! I really don't understand Why the 373 coogee to circular Quay, 377,374 was cancelled! Don't even tell Me the light-rail is better it definitely isn't. Such a disappointment!

Bring back 373,377,374!

Cheers.
