INQUIRY INTO PRIVATISATION OF BUS SERVICES

Name: Miss Rachel Strong

Date Received: 27 March 2022

The new buses have made travel times longer. To travel to the city you either have to now catch a bus and tram or go to Redfern and get a train

This has made travel times longer. The bus stops don't meet up with bus routes and the walking to bus stops is longer . Some areas now have to walk to get a bus to get local shops
