INQUIRY INTO PRIVATISATION OF BUS SERVICES

Name: Mr Richard Horton

Date Received: 25 March 2022

Sydney Buses: the major alteration to bus routes has materially diminished my utility. I regularly travel Malabar to Darlinghurst and my children the reverse. When I once had several direct bus options routing via Taylor Square I am now obliged to change either to light rail and walk 1.5km or take two buses. I would have thought the ANZAC parade to Oxford St./Taylor Square/Darlinghurst was a major desired route. I see only inconvenience with these new services.
