INQUIRY INTO PRIVATISATION OF BUS SERVICES

Name: Mrs Noela Woodward

Date Received: 24 March 2022

I am an elderly lady and find it very inconvenient not to have a 399 service on a Daily basis as we previously experienced.

We live in the most vibrant city in Australia and the services are being Drastically reduced. If I have a mid day appointment or have to go shopping I have to get a taxi. Taxis are even difficult to find.

Please just resume the usual service and we will be most grateful

Regards

Noela Woodward
