INQUIRY INTO PRIVATISATION OF BUS SERVICES

Name: Dr Margaret Bradstock

Date Received: 19 February 2022

We are unhappy with the loss of our buses &/or frequency. Light Rail is no substitute as requires a bus to get to it!!. Buses 370, 372. 373, 374, 339, 393. 395, 313, 315, 317 were essential to my lifestyle & travel arrangements. Please restore their convenience.
