INQUIRY INTO PRIVATISATION OF BUS SERVICES

Name: Mr Ian Findley

Date Received: 18 February 2022

Since the new bus timetable has come into effect it takes much longer to get to where I want to go. For example I work at Kensington and on the old timetable on a good trip it took 20 minutes but on some occasions now it takes me 1 hour. This is due to the cut in bus services to try to drive people onto the light rail which often doesn't take me to where I want to go.
