I have been part of a group which has been campaigning for a number of years now to have the 378 bus from Bronte reinstated as it was far more user friendly than the 379 which forces me to change buses at Bondi Junction , not in the bus interchange but out on a windblown corner of Newland and Oxford streets. If I want to travel to St. Vincent's hospital or to the city centre. All our requests have fallen on deaf ears.  
Cruel callous treatment of the travelling public.
