I live on concord Rd. When I moved here in 2012. I was happy because there was bus stops almost at my front door. I need to be close to public transport because I can't walk very far. I'm 71 and have several health problems. I can't make it to the new bus stop. Its just too far. A. Lot of people here are in the same position. Also My Dr is in five Dock I have to go often and i used to changed buses at. Majors Bay Rd to the 439. which took me to the front door of medical centre. Now that's 3 buses because the 502 only go to the top of five Dock. Makes life really hard. I wish the people sitting in their offices making these decisions would think about others not so lucky to drive  
Thank you
